### MANAGEMENT DISCUSSION ANALYSIS REPORT

The Management Discussion and Analysis forms an integral part of this Report and gives details of the overall industry structure, economic developments, performance and state of affairs of your Company's various businesses, internal controls and their adequacy, risk management systems and other material developments during the financial year 2018-19.

#### A. INDUSTRY STRUCTURE & DEVELOPMENT

At the end of March, 2019 there were approximately 10,000 NBFCs registered with Reserve Bank of India (RBI), of which 89 deposit accepting NBFC. The primary activities of NBFCs are providing consumer credit, including automobile finance, home finance and consumer durable products finance, wholesale finance products such as bills discounting for small and medium companies and infrastructure finance, and fee-based services such as investment banking and underwriting. NBFCs have carved niche business areas for them within the financial sector space and are also popular for providing customized products. For instance, your Company providing finance for re-possessed vehicles at the doorstep of the customer. NBFCs bring the much-needed diversity to the financial sector. NBFCs play an important role to promote financial inclusion agenda of the government by catering to the financial needs of people belonging to weaker section of the society.

The crisis faced by a large prominent financial institution of the country in September led to drying-up bank lending, thereby forcing NBFCs to scout for alternate sources of funding. In February 2019, Reserve Bank of India (RBI) had eased risk weight norms to increase credit flow to NBFCs. The banks are now required to assign differential risk-weights to their exposures to NBFCs based on ratings assigned by credit rating agencies, as against the existing practice of a uniform risk weight of 100%. The move is aimed at not only freeing up capital for banks for further lending but also slash borrowing costs for well-rated NBFCs, which have been grappling with a systemic liquidity crisis triggered by a series of defaults by a large prominent financial institution and its subsidiaries.

In order to provide NBFCs with greater operational flexibility, the RBI has merged the categories of NBFCs classified as asset finance companies, investment companies and loan companies into a new category called NBFC - Investment and Credit Company ("NBFC-ICC").

#### B. OPPORTUNITIES & THREATS

##### Opportunities

- Demographic changes.
- Large untapped rural and urban markets.
- Use of digital solutions for business/collections.
- Partnerships with private financiers for enhancement of reach without significant investments
- Penetration into rural markets for financing
- On boarding customers on technology platform

**Threats**

- High cost of funds.
- Rising Non-performing Assets (NPAs).
- Restrictions on deposit taking NBFCs.
- Competition from other NBFCs and small banks.
- Growing number of Finance companies.
- Inadequate availability of bank finance and upsurge in borrowing cost
- External risks associated with liquidity stress, political uncertainties, fiscal slippage concerns, etc.

**C. RISKS AND CONCERNS**

- The cash crunch is in stark contrast to the banking sector, which has not faced significant liquidity pressure or deposit withdrawals, despite asset-quality and capital weaknesses.
- NBFC's liquidity is sensitive to market sentiment as their business models rely on short-term wholesale funding, which can dry up fast if market sentiment turns negative, it said. Fitch further said funding models of housing finance companies and loan companies, which have become increasingly reliant on short-term funding to fund longer-term assets, have been particularly affected by the liquidity squeeze.
- The sector pressures have led India's top NBFCs to explore other sources of funding and to start positioning themselves to tap the US dollar bond market.
- The funding squeeze has contributed to higher funding costs and a slowdown in loan growth for NBFC sector, Fitch said. NBFCs are an important channel for extending credit to the wider economy, given their wide distribution networks, which are often more extensive across rural India than those of banks
- The NBFC sector's role as a credit provider became outsized as the Indian banking system was forced to deal with its weak asset quality, Fitch added. Banks, particularly public-sector banks, were undercapitalized and had limited capacity to lend more. NBFCs now account for nearly 20 per cent of credit to the economy compared with about 15 per cent five years ago.
- During the year, Non-Banking Finance Companies (NBFCs) faced several challenges as banks curtailed lending to these institutions

**D. OUTLOOK**

- The International Monetary Fund (IMF) expects the global economy to slow down further in 2019 before stabilizing at 3.6% in 2020. This is mainly due to significant revisions in the eurozone, especially in Germany, where production difficulties in the auto sector and lower external demand will weigh on growth in 2019. In Italy too, sovereign and financial risks are hampering economic growth.
- Additionally, there is increasing uncertainty due to trade protectionism and Brexit. However, further monetary policy adaptation and policy-easing measures by China would account for a soft landing.
- India has a lot of un-banked and under-banked consumers and businesses. Hence there is a lot of potential for NBFCs, which can still be tapped. The NBFCs and Housing Finance Companies (HFCs) are being recognized as being vital for growth. Regardless of the recent panic, NBFCs are here to stay and play an important role in economic growth and financial inclusion. Given the crisis and despite concerns surrounding the sector, NBFCs with robust business models, strong liquidity mechanisms, governance and risk management standards are well positioned to take benefit of the market opportunity.

**E. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. Considering the size and nature of activities, the company has adequate internal control system covering both accounting and administrative control. In addition the internal audit is carried out periodically. ## INDEPENDENT AUDITORS' REPORT

To the Members of  
**Explicit Finance Ltd.**

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the Standalone financial statements of **Explicit Finance Limited** (the 'Company'), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2019, and the Statement of Profit and loss and the Statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the 'financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2019, and profit and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143 (10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the 'ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to be communicated in our report.

ss

#### Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the

## Explicit Finance Limited

financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making Judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and Completeness of the accounting records, relevant to the preparation and presentation of the financial Statements that give a true and fair view and are free from materials misstatement, whether due to fraud or error.

In preparing the financial statements, management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

## Explicit Finance Limited

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

## ANNEXURE B TO THE AUDITOR'S REPORT

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

#### **Opinion**

We have audited the internal financial controls over financial reporting of Explicit Finance Ltd. ('the Company') as of 31<sup>st</sup> March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to the financial statements and such internal financial controls were operating effectively as at 31<sup>st</sup> March 2019, based on the internal financial controls with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI').

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **Explicit Finance Limited**

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2019 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.
